NATIONAL BOARD FOR THE PROMOTION OF RIFLE PRACTICE
DEPARTMENT OF THE ARMY
WASHINGTON, D.C.

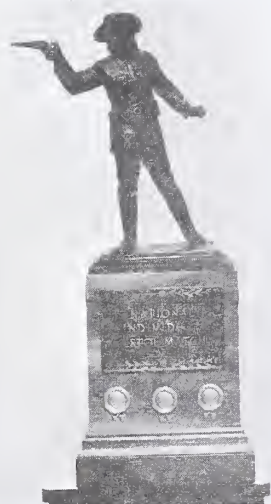

The 1967 National Trophy Matches were held at Camp Perry, Ohio from 3 August through 1 September. The matches accommodated thousands of competitors and visitors who participated in or observed the Small Arms Firing Schools, the National Rifle Association matches and the National Board for the Promotion of Rifle Practice matches. This was the 40th year that the National Matches have been held at Camp Perry and the first year that the new high power rifle target system has been used. Also, two new events were added in the Service Rifle competition, the Individual Combat Rifle Match and the Combat Rifle Team Match, both open to civilian competitors only. Enthusiasm ran high in these events and it is hoped that National Match programs will include similar events in the future.

The thanks of all shooters go to the officers and men of the Armed Forces and to the dedicated civilians whose combined effort made the 1967 National Matches an outstanding success.
